

Dear Supporter,

The New Jersey Coalition Against Human Trafficking (NJCAHT) is holding its first Freedom Gala, and we hope you will sponsor it. **During the COVID-19 Crisis, we need your support to get through our current fiscal year without our fundraiser in the current fiscal year.** We hope you will help us by becoming a sponsor before the end of June, and then celebrate everyone's freedom in October.

The gala has been rescheduled to **TUESDAY, OCTOBER 20, 2020** from 6pm to 10pm at The Imperia in Somerset, NJ. The evening will be marked with testimonies from human trafficking survivors, presentation of the 2020 NJ Freedom Awards, and a live band. The Franklin Township Mayor, Phil Kramer, will make welcome remarks. There will be hors d'oeuvres, a cash bar, buffet dinner and dessert, along with a tricky tray raffle and silent auction. Tickets are \$75, and will go on sale in late February. Between 200-300 guests are expected.

If you can help us by sponsoring the gala, please fill out the attached form. Please indicate on the form if you wish to have your logo on our marketing and social media material. Email your logo in PDF format to samanthapicaro@gmail.com. The deadline for becoming a sponsor is **September 30, 2020**.

The NJCAHT, formed in 2011, is comprised of over 180 diverse NJ organizations including nonprofits, government agencies, academics, law enforcement, faith-based groups, and direct service providers. The NJCAHT is a nonprofit 501c3 (Tax ID # 81-4523578) with a mission to unite New Jersey communities to abolish human trafficking.

The NJCAHT is fully volunteer run, with no office space, so all funds raised at our gala will go directly to running our awareness and education programs. These include: Locker Slam, a free schools awareness program; a Speakers Bureau; and SOAP, an annual hotel awareness and outreach program. We educate on the reality of human trafficking in New Jersey, how to avoid buying slave-made goods, and Internet and App safety - particularly at this time of crisis when our young people are spending more time online and less time interacting with their known friends in the real world.

The form details the benefits you would gain as a sponsor. Every package includes tickets to the Freedom Gala.

Thank you for considering this important cause.

Best wishes,

Samantha Picaro
Gala Committee
